

Weatherproof Horn Speaker

T-710A

Material: plastic shell + aluminum mesh

Description:

Aluminum structure, strong penetration, suitable for railway station, bus station, large square, etc.

Specifications:

Model	T-710A
Power taps @100V	15W, 30W
Power taps @70V	7.5W, 15W
Impedance	Black: COM White: 330Ω Green: 670Ω
Frequency response	80Hz -20KHz
Sensitivity	113dB±3dB
Dimensions	360 x 165 x 275mm
Weight	3.1Kg
IP rate	IP66
