

Features

- *Strobe: 0-15 times electronic strobe, adjustable speed; random strobe and pulse strobe can be selected
- *Dimming: 0-100% linear dimming
- *Scanning range: horizontal 540° (16-bit accuracy), vertical 172° (16-bit accuracy)

Specification

Input voltage	AC110V-240V 50/60Hz, 160W
Light source	7*20W RGBW LED
Average lifespan	50000H
Angle	11°~37° linear focus
Control method	Self-propelled mode, DMX mode, voice control mode, slave mode
Channel	Channel 15/11
Lighting material	V0 flame retardant ABS
Protection level	Ip20
Lamp size (L*W*H)	179*179*349mm
Packing size (L*W*H)	367*265*233mm
Gross weight	4.35kg
Net weight	3.75kg
