

Paperless Conference Terminal

TS-8304A2

Feature

- *The multimedia conference terminal controller is equipped with the terminal embedded software to handle the file push, file distribution, browsing and reading, file annotation, smart sign-in, voting, electronic whiteboard, electronic nameplate, conference communication, conference service, video signal interconnection, conference control, same-screen broadcast and other applications during the conference.
- *It can meet the needs of various high-end conference occasions, as well as important government affairs, business, enterprises, institutions and large-scale event venues.
- *Supports paperless meeting mode and Windows mode, which can be switched at will.
- *A variety of file formats can be viewed, including common formats such as doc/ docx /xls/ xlsx /ppt /pptx/ pdf /txt/jpg/png, etc. Participants can only view files for which they have permission.
- *Meeting notes can be taken at any time during the meeting and can be downloaded locally.
- *Supports screen broadcasting. Participants can share their local screens with other participants during the meeting. Supports cross-platform (Windows/Android) broadcasting (requires relevant hardware to implement).
- *The personal center module supports uploading and viewing materials before and during meetings (confidential meetings cannot be viewed before the meeting); it also supports downloading materials of meetings attended after the meeting.
- *When the conference ends, the terminal automatically clears the local conference files.

Specification

CPU	I5-7400 quad-core quad-thread, the main frequency is 3.0GHz
Memory	DDR 8G
Hard disk capacity	256G SSD
Network port	1×Gigabit Ethernet port
Standard interface	4 × 3.0 USB, 1 × HDMI, 1 × VGA, 1 × MIC-IN port, 1 × LINE-OUT port, 1 × DC port, 1 × COM port
Working environment	Ambient temperature : 0°C-50°C; Relative humidity: 5% ~ 95% (non-condensing); Storage temperature -10°C-60°C; Storage humidity: 5% ~ 95% (non-condensing)
Working power supply	DC19V / 6.32A
Power consumption	75W
Dimensions (W x D x H)	190.5×208×60mm
Weight	1.25Kg
Color	black
