

# CD/MP3 Player with Tuner and Bluetooth

## ( 4 Audio Sources in One)

### TF-VN21212

#### Description:

- \* Standard cabinet-type CD, MP3 (with USB and SD card interfaces) and radio integrated playback equipment.
- \* Provide a combined audio source for the broadcasting system, and manually control the CD, MP3, Bluetooth and radio players.

#### Feature:

- \* Standard cabinet-type design (1U), black alumina brushed panel, humanized drawing, exquisite craftsmanship, showing high-grade temperament.
- \* Built-in USB interface / SD card slot, CD movement and radio, Bluetooth four audio sources, CD player and MP3 player share one channel output, radio and Bluetooth share one channel output.
- \* CD uses high-end suction movement.
- \* The radio uses a high-sensitivity radio module; FM and AM (AM / FM) stereo two-band reception is optional, and the radio frequency memory can be stored up to 99 bands.
- \* With infrared remote control function, and can independently control the volume control.

#### Specifications:

|                    |                                                            |
|--------------------|------------------------------------------------------------|
| Model              | TF-VN21212                                                 |
| Frequency Response | 20Hz~20KHz (-2dB)                                          |
| THD                | ≤0.1%                                                      |
| Channel Separation | 65dB                                                       |
| Dynamic Range      | 75dB                                                       |
| S/N Ratio          | 85dB                                                       |
| CD Audio Output    | 775mV                                                      |
| TUNER              |                                                            |
| Radio Frequency    | FM: 87.5-108.0MHz, AM: 522-1620KHz                         |
| Antenna Input      | FM: 75Ω Unbalance,<br>AM: Low impedance round ring antenna |
| Sensitivity        | FM: ≤10uA, AM: ≤100uA                                      |
| Band Memory        | 99                                                         |
| Radio Audio Output | 775mV                                                      |
| Power Supply       | ~220V 50Hz                                                 |
| Dimensions         | 484 x 209 x 44mm                                           |
| Net Weight         | 3.8Kg                                                      |
